

All Saints Kitchen Renovation Project

The kitchen design was developed by our “Kitchen Committee” comprising Bill Morrison, Marjie Radford, Molly Cunningham, Ruth Pepin and John Metzger.

- Stainless steel countertop and back splashes throughout
- IKEA floor and wall cabinets and handles
- Replace flooring and overhead fluorescent lighting

- Our main contractor including plumbing and electrical: Michael Hunsberger, Lighthouse Ventures, Salt Spring
- Commercial kitchen appliances are being procured through Russell-Hendrix, Victoria
- Commercial flooring – procured/installed by Hubenig Bros. – ref. Benjamin Moore, Salt Spring Island
- Custom stainless steel countertops and backspashes will be provided by Millstone Heating & Sheetmetal, Duncan
- Base cabinets are provided by IKEA

Renovation work started this past week. Here's what the kitchen looks like today!

Plans are in place to complete the work by the end of March – in time for Easter celebrations!
